Brain teaser puzzle questions with answers in english. Brain teasers with answers in english. Brain teaser questions with answers.

A doctor and a bus driver are both in love with the same woman, an attractive girl named Sarah. The bus driver had to go on a long bus trip that would last a week. Before he left, he gave Sarah seven apples. Why? Show Answer An apple a day keeps the doctor away! What comes once in a minute, twice in a moment, but never in a thousand years? Show Answer What has six faces, but does not wear makeup, has twenty-one eyes, but cannot see? What is it? You live in a one-story house made entirely of redwood. What color would the stairs be? Show Answer What stairs? You live in a one-story house. You are in a room with 3 monkeys. One monkey has a banana, one has a stick, and one has nothing. Who is the smartest primate? This old one runs forever, but never moves at all. He has no lungs nor throat, but still a mighty roaring call. What is it? What five-letter word becomes shorter when you add two letters to it? If you drop a white hat into the red sea what does it become? One company owner asks another: "Tell me, Bill, how come your employees are always on time in the mornings?" Show Answer Bill: "Easy. 30 employees and 20 parking spaces." What can you hear but not touch or see and yet control? When it is alive we sing, when it is dead we clap our hands. What is it? Show Answer In a year, there are 12 months. Seven months have 31 days. How many months have 28 days? A game that my dad taught me when I was young was chess. It was a great way to have fun with my dad while also sharpening my mind. Riddles are good for that, too. But brain teaser questions work in a lot of the same ways. They are a great way to stay mentally sharp and challenge yourself. Share these with your kids and you will have a fun time while also getting a brain workout. Questions: 1. 84% of people reading this will not find the the mistake in this A,B,C,D,E,F,G,H,I,J,K,L,M,N,O,P,Q,R,S,T,U,V,W,X,Y,Z. 2. How can you throw a ball as hard as you can and have it come back to you, even if it doesn't bounce off anything? There is nothing attached to it, and no one else catches or throws it back to you. 3. What occurs once in every minute, twice in every moment, yet never in a thousand years? 4. What's full of holes but still holds water? 5. What flies without wings? 6. Where will you find roads without vehicles, forests without trees, and cities without houses? 7. What are two things you cannot eat for supper? 8. What word looks the same upside down and backward? 9. What five letter word becomes shorter when you add two letters to it? 10. A boy was rushed to the hospital emergency room. The ER doctor saw the boy and said, "I cannot operate on this boy. He is my son." But the doctor was not the boy's father. How could that be? 11. What can you keep but cannot share and once you share it, you can't keep it anymore? 12. You leave home and go to your right. You reach a corner and turn left. You reach another corner and turn left again. You reach another corner and turn left again and go home. When you get there, there is a person with a mask there waiting for you. What's happening? 13. A man was outside taking a walk when it started to rain. The man didn't have an umbrella and he wasn't wearing a hat. His clothes got soaked, yet not a single hair on his head got wet. How could this happen? 14. Sam's mother had 4 children in all. The first one was named May. The second and third were called June and July respectively. What was the fourth child's name? 15. The more it dries, the wetter it gets. What is it? 16. Why can't a man living in the USA be buried in Canada? 17. There is only one time in your life when you're twice as old as your child. When is that? 18. What is greater than God, more evil than the devil, the poor have it, the rich need it, and if you eat it, you'll die? 19. Who makes it, has no need of it. Who buys it, has no use for it. Who uses it can neither see nor feel it. What is it? 20. What can travel around the world while staying in a corner? 21. There was a green house. Inside the green house there was a white house. Inside the white house there was a red house. Inside the red house there were lots of babies. What is it? 22. What call for help, when written in capital letters, is the same forwards, backwards and upside down? 23. One family wants to get through a tunnel. Dad can make it in 1 minute, mom in 2 minutes, son in 4 and daughter in 5 minutes. No more than 2 persons can go through the tunnel at one time, moving at the speed of the slower one. Can they all make it to the other side if they have a torch that lasts only 12 minutes and they are afraid of the dark? 24. Before Mount Everest was discovered, what was the highest mountain in the world? 25. A petri dish hosts a healthy colony of bacteria. Once a minute every bacterium divides into two. The colony was founded by a single cell at noon. At exactly 12:43 (43 minutes later) the petri dish was half full. At what time will the dish be completely full? 26. Which word in the dictionary is spelled incorrectly? 27. How many of each species did Moses take on the ark with him? Answers Answer 1 - "The" is repeated. Answer 2 - Throw the ball up in the air. Answer 3 - The letter "M". Answer 4 - A sponge. Answer

5 - Time, Answer 6 -A map, Answer 7 - Breakfast and Lunch - SWIMS, Answer 9 - The word short, Answer 10 -The doctor was him, Answer 11 -A secret, Answer 12 - You are playing bawld, Answer 13 -The man was bawld, Answer 14 -Sam!
